

**KINETIC LIGHTS is the leading specialist in kinetic lighting.**

For more than 15 years KINETIC LIGHTS engineers and produces a wide range of steel wire and powered cable DMX WINCHES for various art, interior, stage, show and event lifting and lighting applications.

The main use of our high precision hoists is the synchronized spatial animation of large arrays of tethered LED LIGHTING ELEMENTS.

Our KINETIC LIGHTS products have received international recognition and awards including Cannes Lions, iF Design Awards, Red Dot Award.

## **Product Development Manager (m/f/d) fulltime**

### **YOUR TASKS:**

- \* Organizing the continuous improvement of our products, their project-related individualization, or even the complete development of new products
- \* Work with an interdisciplinary team, including mechanical, electronic and firmware/software specialists
- \* Adjust defined development goals according to budget, time management, personnel management and customer needs
- \* Ensure prioritization and communication within teams with reporting to management
- \* Analyze internal and external processes with identification of optimization potential, such as in terms of cost or process design

### **YOU BRING:**

- \* Degree in technology, e.g. engineering sciences, mechanical engineering, electronics or a comparable professional qualification
- \* Relevant experience in a similar position and working in an agile environment
- \* Enthusiasm and commitment to deliver project requirements on time
- \* Experience in the technical or event industry is an advantage

- \* Expertise in demand management and product management
- \* Excellent analytical skills, strong communication skills, and strong problem-solving expertise
- \* Very good knowledge of German and English

## **WE OFFER:**

- \* Exceptional, challenging and unique international projects
- \* Participation in the establishment of a new location for art, technology and events (DARK MATTER)
- \* A highly motivated, international team and a friendly, open-minded working environment - we stand for openness and diversity!
- \* Working independently, flat hierarchies and the opportunity to contribute your own ideas
- \* Wildcard option to participate in projects worldwide
- \* Delicious coffee and drinks for free
- \* Team events, such as joint BBQs and summer parties
- \* Modern studio right on the Spree in East Berlin, with great leisure activities nearby

## **HOW TO APPLY:**

If we have raised your interest in this exciting task, please send us your digital application including CV, salary expectations and preferred start date by email to [jobs@kinetic-lights.com](mailto:jobs@kinetic-lights.com)
