

KINETIC LIGHTS is the leading specialist in kinetic lighting.

For more than 15 years KINETIC LIGHTS engineers and produces a wide range of steel wire and powered cable DMX WINCHES for various art, interior, stage, show and event lifting and lighting applications.

The main use of our high precision hoists is the synchronized spatial animation of large arrays of tethered LED LIGHTING ELEMENTS.

Our KINETIC LIGHTS products have received international recognition and awards including Cannes Lions, iF Design Awards, Red Dot Award.

Operator (m/f/d)

We are looking for enthusiastic, reliable and creative freelance operators to support our exciting Kinetic Lights projects.

YOU BRING:

- * 2+ years of experience as an operator in event technology, especially lighting technology
- * experience with grandMA
- * experience with other media servers and control software desirable
- * understanding technical drawings
- * ability to work responsibly and reliably on your own as well as in our team
- * good communication skills towards our team and our clients
- * driving licenses e.g. truck, forklift desirable
- * good German and English language skills

WE OFFER:

- * exciting cooperation on extraordinary kinetic light installations for shows, fairs and events
- * project management and operating for our Kinetic Lights systems on varied jobs in Germany and worldwide
- * open corporate structure
- * highly motivated international team
- * payment according to qualification and effort (invoice-based)

HOW TO APPLY:

We look forward to receiving your application including CV, motivation letter and salary expectations by e-mail.
